

FIG. 1

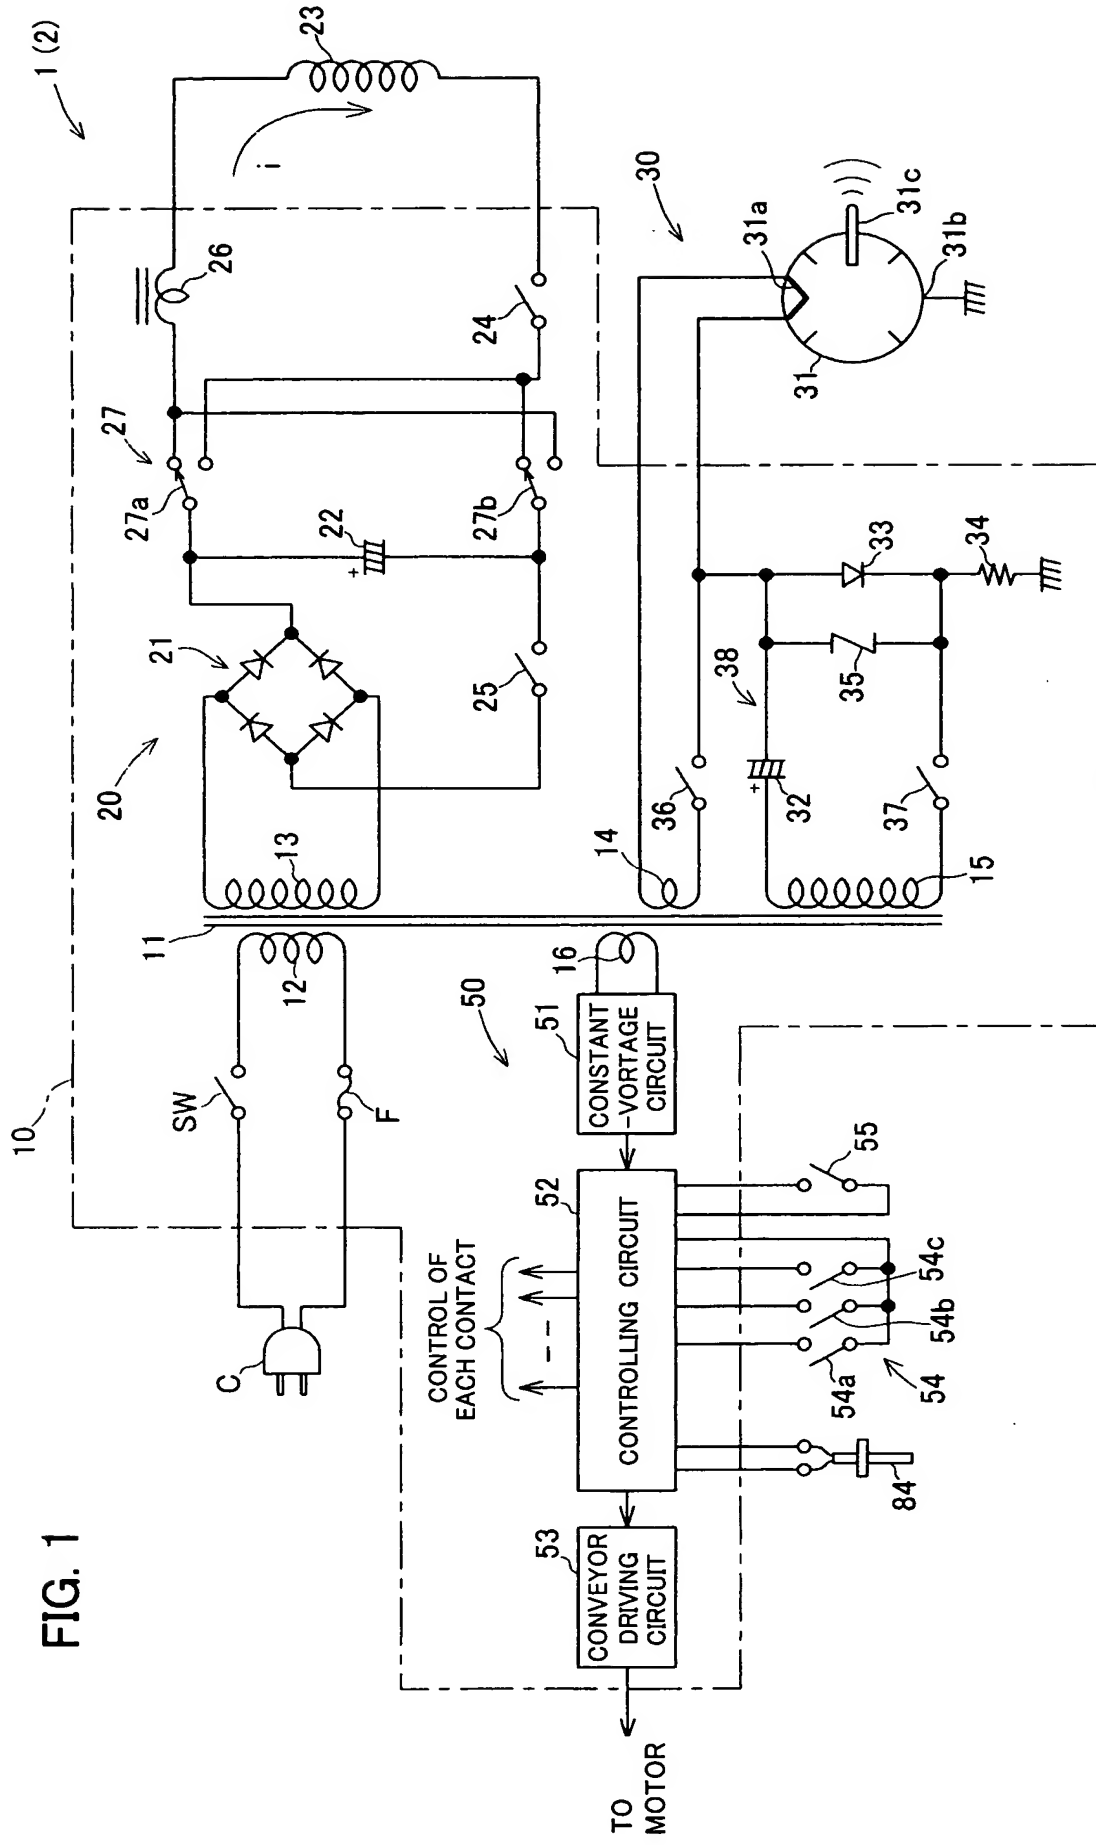

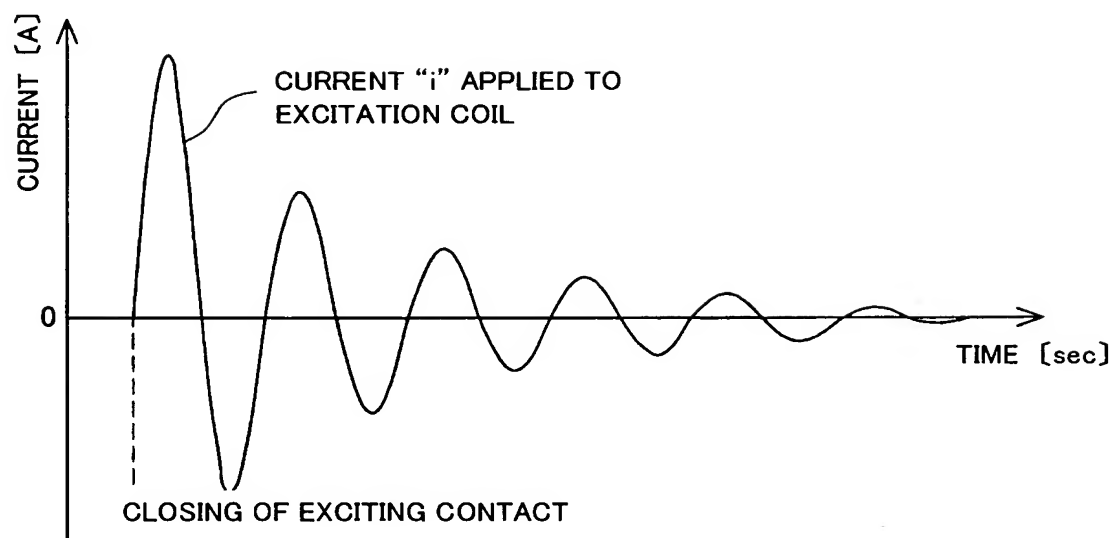

FIG. 2

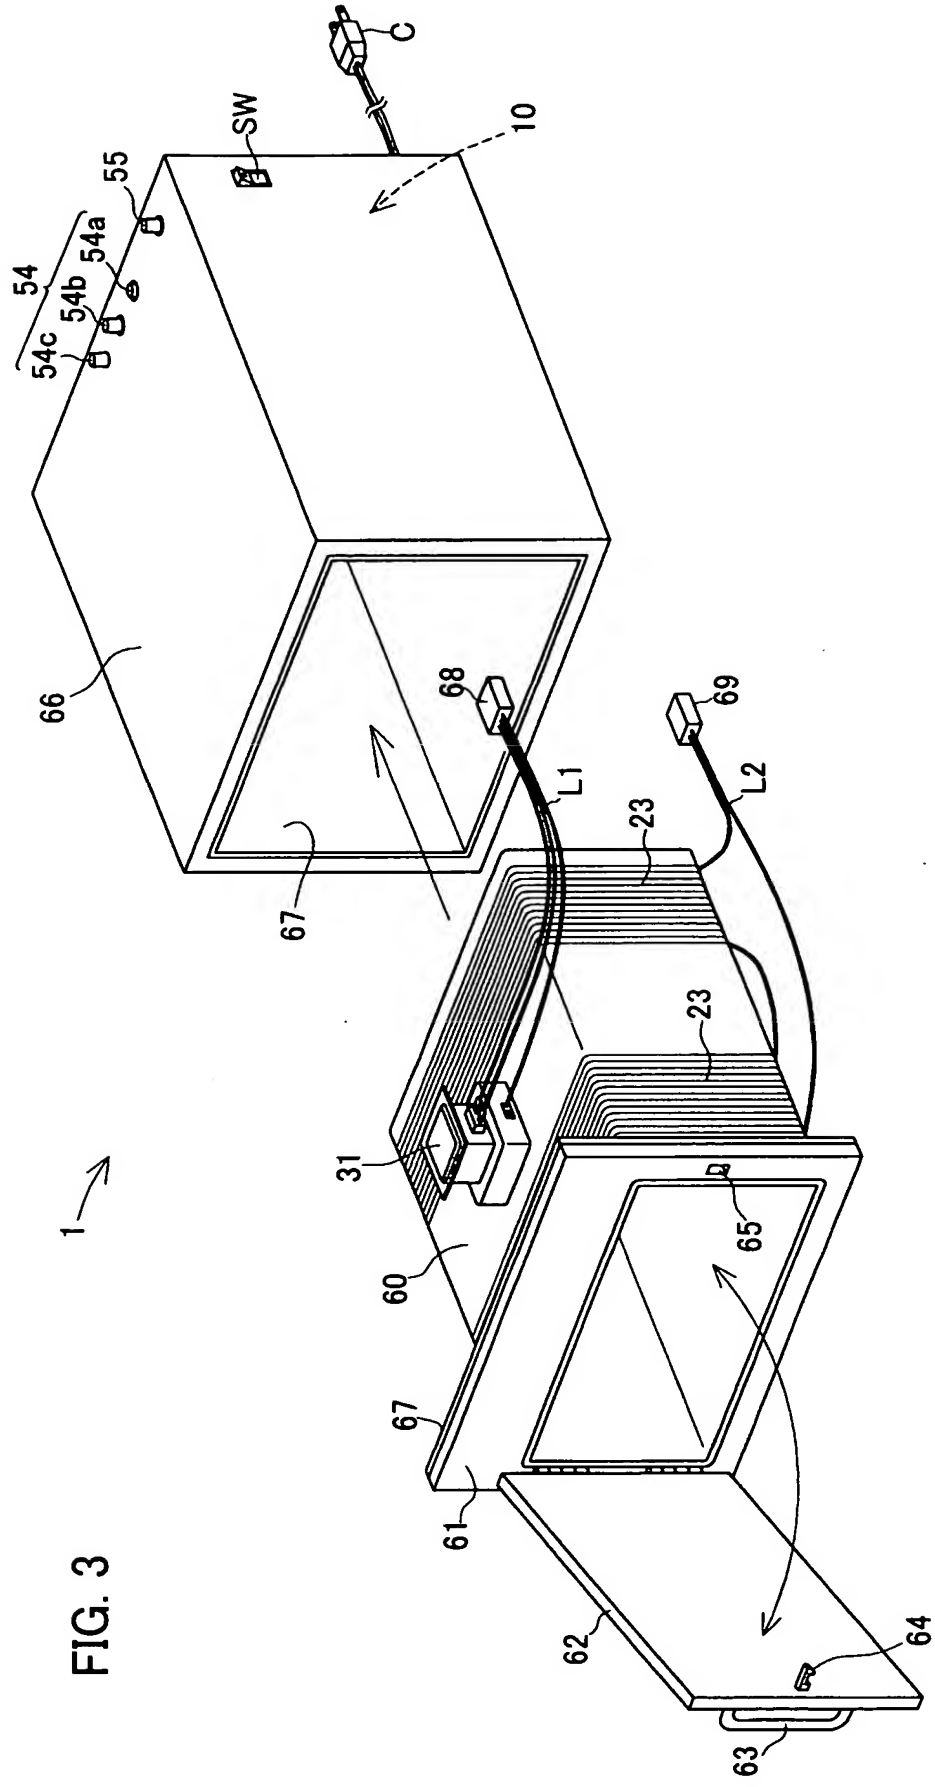

FIG. 4

This diagram shows an exploded perspective view of a portable electronic device 1. The device consists of several main components: a front cover 5, a main body 6, a rear cover 7, a display unit 8, and a battery pack 10. The front cover 5 is shown with a camera lens 54 and a microphone 55. The main body 6 includes a display screen 60 and a control panel 61. The rear cover 7 is shown with a camera lens 62 and a microphone 63. The display unit 8 is shown with a display screen 64. The battery pack 10 is shown with a connector 65 and a switch 66. The device is shown in an exploded view, indicating the assembly relationship between the components.
